RED FOUNTAIN™

Caruba™ BLACK

‘Big results from very little effort’

Domain Your Home, circulation 900000 to the suburbs of Sydney, recently featured Red Fountain™ and Caruba™ Black in their ‘Easy-Care Gardens’ story.

The article features a wonderful photo of mass planted Red Fountain™ and offers the advice: “Keep your garden looking great with little effort...mass plant foliage plants; “Choose plants that look great for most of the year and are easy-maintenance”.

It goes on to mention, “Classy pots deserve classy plants...Red Fountain™ is one such plant, performing exceptionally well in large pots...another spectacular container plant is Caruba™ Black.”

To create a stunning garden focal point, advise customers to use Red Fountain™ or Caruba™ Black in an eye-catching pot. For a mass planted easy-care colour option, suggest Red Fountain™.

Both plants are available NOW from your supplier.
